**POLITICAL COMMITTEES ESTABLISHED BY OR ON BEHALF OF A LOBBYIST  
2005 REGULAR SESSION OF THE CONNECTICUT GENERAL ASSEMBLY**

This list is issued by the Commission as required by the provisions of §9-333l(f), General Statutes. It contains the name of each political committee, which has filed a certification with the Office of the Secretary of the State that it was established by or on behalf of a registered lobbyist and includes those PACs that are affiliated with an individual lobbyist or lobbying organization.

The committees appearing on this list are *barred from soliciting and making political contributions during the 2005 regular legislative session* to or for the benefit of (1) candidate and exploratory committees for statewide office and the General Assembly, including committees of candidates who ran in previous elections, and which have deficits, and (2) other political committees which appear on the list entitled "*Prohibited Recipients List of Political Committees.*" Statewide office refers to the offices of Governor, Lt. Governor, Secretary of the State, Treasurer, Comptroller and Attorney General.

Individuals who are registered lobbyists are similarly barred from soliciting and making political contributions to or for these candidate and political committees. The ban applies from the opening of the regular legislative session on January 5, 2005 until adjournment *sine die* on June 8, 2005 and to any subsequent special or veto sessions within this calendar year. The ban is not applicable to candidates in a special election to fill a vacancy in any legislative office or to candidates for municipal office.

This list was compiled by the Commission from the records provided by the Secretary of the State. It is distributed to each statewide officer and legislative leader enumerated in §9-333l(f), General Statutes. It is also available on our website at the above address. Any supplemental list(s) of newly registered political committees, which are subject to these restrictions, will be similarly distributed.

Questions concerning application of these restrictions should be directed to the Commission at the address and telephone provided above.
